ABOUT US

We produce potato chips made in olive oil and sea salt, our products are super healthy, with zero sugar, zero trans fats, zero cholesterol, zero chemicals or preservative.

Our flavors are totally natural, exotic and delicious, and all are certified Kosher and Halal.

OUR VISION

At **Oliva Snacks** we focus on creating super healthy snacks with the highest quality standards that at the same time are delicious and with the most exotic flavors.

Our company seeks to innovate in all its areas, from the design of packaging that shows and represents the essence of the ingredients we use in our products, to completely natural and chemical-free production processes.

We seek to create a premium experience that combines a balance between appearance, aroma, flavor and essence to always bring our customers the best while preserving the healthy properties of our products.
